

**GROUP LEADER
APPROVED RESOURCES
2022-2023**

The following resources have been curated by our Group Life team and leaders at Hope Bible Church. We believe over the course of the next ministry year, these resources, surveying a variety of topics and depth, would serve your groups well by encouraging you to grow in Christ and be strengthened by your knowledge of the word and love for one another. Should your group decide on any of these resources we encourage you to plan accordingly by acquiring the content and projecting your pace and journey through the material.

Please Note: *While these resources cover a variety of topics and depth, additional resources chosen by you or your groups to study must be approved by your ministry lead to ensure the content is sound, conducive to study, and fruitful for growth in Christ.*

Video Curriculum: *The following studies that are marked with an asterisk in the “format” column indicate that a group video license has been purchased for leader access.*

Intensity Rating: *The following resources are rated according to their intensity on a scale of 1-5 stars.*
